Our babies – and our entire community – deserve a bright future. There is hope and help. Sign waving is a good way to let our ohana, our neighbors and friends know we care about them. It's a message of love and aloha...not fear and tragedy.

What's new? For the first time – all 11 Hawaiian Civic Clubs around the island will join the sign waving, which is timed to coincide not just with the coming holidays, but to honor King Kamehameha V – also known as Prince Lot, the last direct descendant of Kamehameha The Great. Prince Lot was born December 11, 1830, and died Dec. 11, 1872.
